STICS May Montly Report 2016.xlsx

Hi John & Annie,

Here is a first version of the list of products that Taukecha pulled from STICs. I agree with her, that it would probably be better to present this as a table (word style). Let me know how you want this displayed/grouped (see all the worksheets in the spreadsheet and columns in the main table).

In addition, on the ACE site they had this text. Do you have something similar you want put on the HHRA page?

Ex. 5 - Deliberative Process

Thanks, Maureen

Hi Maureen,

I have attached the STICS May report for your review. This is the Excel version but it may be better to have it in Word. The examples that we received were converted into Word. We can talk more about it on Tuesday.

Thanks,
